“Buy one Give ten”

With the aim of growth we also take the responsibility for our actions and a positive impact towards the substantial world, to help and to balance the economic prosperity and social progress. Thus we initiate to help out cancer children by our program under “Buy One, Give Ten.”

We focus on providing support to the cancer children bearing this burden of the disease they suffer through donating Rs.10 on every product we sell. Providing best diagnosis and treatment is not sufficient since the cancer fees are recommended high. Therefore we have been making efforts to minimise pain as well as keep children in a positive frame of mind.

Thanks For Contributing Rs 10/- for Children cancer fund.
