The Ease Sofa Cum Bed easily converts from a 3 seater sofa to a queen size bed and can be adjusted into 3 different positions to suit all the different events in your life. For those cosy movie nights, tilt the backrest upright to transform it into a comfortable sofa. When it's time to sit back and relax, adjust it to 160 degrees to create a lounge. And for those unexpected guests, simply tilt the backrest all the way to 180 degrees, converting it into a spacious queen-size bed.
