

leading sales and distribution of Glass, Plywood, Laminates, and Hardware, we have established our roots in Central and South Kerala. Since our inception in 1984, we have played a phenomenal role in the Glass Trading and Designer Glass business. Our Managing Director, Mr. N G Balakrishnan, with his industrial knowledge and practical know-how, has been instrumental in laying a strong foundation for our growth.

Today, we are one of the leading suppliers in Kerala, both wholesale and retail, providing customized solutions in glass, plywood, hardware and architectural products. We offer a variety of products and services to cater to the dynamic and growing demands of our customers. From screws and bolts to kitchen, wardrobes and glass hardware, customized solutions like digital glass printing, CNC glass polishing and beveling, glass etching and staining, we provide a range of services which speaks volumes about our business acumen. Our Unique Selling Proposition includes providing the latest and trending products at competitive prices and uncompromising quality standards. We have a team of experienced personnel who ensure that our products are flawless and thus leading to loyal and satisfied customers.
