Welcome to...

Ghanshyam Industries

Ghanshyam Industries is Manufactures & Suppliers a Popular of innovative Products in Rajkot, Gujarat, India. 'SHINEY' Brand Exclusive Hardware Fittings Offers Wide Range of like Cabinet Handles, Main Door handles, Tower Bolt, Curtain Bracket, Sofa Leg, Kadi, Khutti, Glass Fittings, and Other Hardware & Furniture Fittings Products We assure our worldwide clients of premium quality goods and value added after sales services at competitive prices, quality and innovative designs, Prompt delivery.

Our Prime Objective is to win Customer's Satisfaction by Guaranteed Innovative Design, Premium Quality, Tough Packaging Timely Delivery and Reasonable Price with Lifetime Services. Customers Satisfaction is our main achievement.

We give commitment to bond with the commitment to cater quality in order to survive applauding in this industry with a provision of better services. We are one of the leading manufacturer, exporter and supplier of Hardware Products.

It is indeed an advantage for us that all the manufacturing processes are performed under one roof which further leads to cost effectiveness. Our factory has various sections, i.e. Casting, Extrusion, Machining, Fitting, Polishing, Plating and Packaging. We are well equipped with the latest plant and machinery to manufacture high-class quality products. A strong belief in human resources has led us to make major investments in training and teamwork development.

We believe in strong research and development before we launch our products. We also value the opinion of most established architects and interior designer for look, comfort and style. We use excellent workmanship to manufacturer products. We use most advance systems and technology to produce consistent products quality.

QUALITY CONTROL

Quality is top most priority for us and we make sure to maintain it throughout our business operations. In order to ensure that our clients get defect-free Hardware Products, we have set-up in-house quality management unit, wherein all the manufactured products are tested several times before the final approval for dispatch. The unit is installed with advance machines and tools to carry out the quality checking procedure carefully.
