The EUROPA journey began in the year 1984 with the Mission "ANTI-THEFT ENGINEERING". Dr. P. A. Joshi after studying in Germany, founded this Company in the Cultural and Industrial city of Pune. Since then, **Welmade Locking Systems Private Limited** has carved for itself an enviable niche in the Indian Market.

Dr. P. A. Joshi

Founder & Chairman

Who believes in disruptive innovation and continual development.

We constantly INNOVATE to design and manufacture locks with best-in-class features meeting Global functions, finish, load (strength) & life (warranty) standards.

The Europa Edge

More than 40 years of excellence with single point ownership of the complete process (Research & Development, Design, Manufacturing, Marketing, Sales & Service) to ensure end to end ANTI – THEFT locking solutions for our customers. On a mission of preventing theft across country and make India theft free, safe and secure place to live in and providing ultimate Peace of Mind.

100+ IP Registrations
& Applications
(Patent, Design, Etc).

500+ theft site visits & 1000+
ANTI-THEFT trials for
"ANTI-THEFT ENGINEERING"
expertise.

Every product goes through
more than 50+ ANTI-THEFT tests
in a controlled set up on actual
doors during development.

Experience of 5 million
installations through 200+
trained technicians
across India.

Our Mission

Anti-Theft Engineering

Our Vision

"We shall be a Global provider of customized anti-theft products + solutions for every house + institution, with an "Idea to actual theft prevention" value chain, having a global mind set; being a good place to work, learn and grow; with a culture of disruptive innovation and continual improvement."

Legacy of Excellence
