

DETERMINED ABOUT QUALITY

Established in 1991 with a vision to manufacture switches and electrical accessories that make a difference in the life of Indian consumers. Today we can satisfactorily claim that we live and continue to develop this vision every day. We make products that compliment and enhance your lifestyle, products that make you adore your home and products that define sophistication. Our philosophy has always been to put in all efforts to bring to you the latest technology and innovation.

Over the years the company has held a pre dominant position in the electrical field, from the time switches were simply power generating gadgets to the present day automated scenario with the concept of modern lifestyle.

Our customers have always been our priority and we promise to constantly deliver innovative and quality products.

KEEPING OUR PRESENT IN TOUCH WITH YOUR FUTURE.
