PRODUCT FEATURES

AVAILABLE THICKNESS
12" Inches

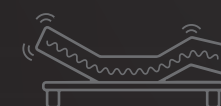

Zero Gravity Mode

Activates with a single button press, automatically adjusting the mattress to the optimal Zero Gravity position. This position promotes circulation, reducing pressure on the spine, and enhancing overall relaxation and comfort.

Multiple Modes

Offers versatile positioning options with the back inclined up to 40 degrees and the legs elevated by 10 degrees, catering to various comfort preferences for relaxation, reading, or watching TV, ensuring customizable support and comfort.

Massage Function

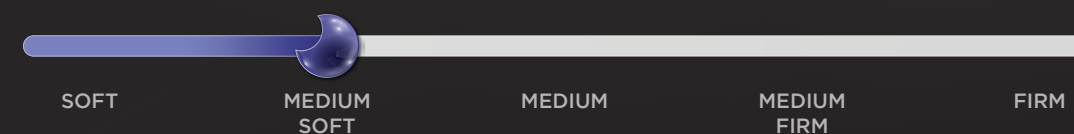

Equipped with a built-in massage feature that offers various massage modes and intensity levels to soothe muscles, relieve tension, and enhance overall relaxation, providing a therapeutic experience.

Split Back Design

Allows personalized adjustment of the backrest for individual comfort.
