

TAVIC[®]

**LUXURY
WARDROBES &
SLIDING PARTITION
SYSTEMS**

About us

The world of Taiton provides you with the Largest and most Comprehensive product range which has been intelligently crafted to suit the modern Hi-tech commercial and residential establishments. We have a rich tradition of manufacturing and distributing high Quality Architectural Hardware which meets and exceeds expectations.

The tradition has inspired us to foray into diverse field of premium & exclusive products to decorate your interior spaces. Our diversified product portfolio is strategically divided into 9 verticals. In the current dynamic world, infrastructural development is witnessing the rapid advancement, hence there is a requirement to continuously innovate the products utilizing latest technologies to offer solutions that match perfectly to the need of modern customers.

Going forward we bring to you TAVIC range of Luxury Wardrobe systems & Modern Partition systems. In this range every product is ergonomically designed & manufactured on State-of-the-Art machines. The Profiles are heavy duty & offers Multiple finish options to select from to match you interiors & taste.

Being a Quality conscious firm, we never compromise with the Quality of our products. For that, we conduct an elaborate research on the materials to be used and the prevailing market trends. We ensure that our products undergo strict quality checks on various parameters like durability, finishing and robustness before they are delivered to our customers.

TAITON will keep challenging itself in the new era, dedicating to supply more beautiful and high quality products for a better living. We offer prompt & courteous delivery of our products and efficient customer service.

Exceptional functional & technical expertise coupled with extensive industry knowledge make TAITON the ideal choice for implementation of your desires into reality.
