DESIGNER WALL TO WALL CARPET

★ WILTON QUALITY ★

Experience premium Woven Wilton quality with our Royal Majesty carpets, designed for lasting elegance and comfort. Crafted from 100% heat set polypropylene yarn, these carpets feature a comfortable 11-12mm thickness, offering a plush underfoot feel. With an impressive 4,80,000 pile points per square meter, they ensure superior density and durability.

The jute filling combined with a latex back coating provides a strong, stable base, while the heavyweight 2550 gr/m² (+/-5%) construction guarantees resilience in everyday use. Supplied in a convenient 4m x 25m roll size, they are ideal for covering large spaces seamlessly. With an expected life of 5 years, Royal Majesty carpets deliver the perfect balance of luxury, strength, and long-lasting performance.
