MOTORCYCLE DUFFLE BAG

DRY 35

Waterproof tail bag that can be secured to the pillion seat of a motorcycle, maxiscooter or quad and can easily be transformed into a multi-purpose bag.

FEATURES:

- ▶ Cargo Volume: 35 LTS
- ▶ Material: 500D PVC coated tarpaulin
- ▶ Heat sealed seams to prevent water ingress.
- ▶ "Roll top" closure system : Easy to seal the roll-top system for 100% rainproof performance. (Minimum 3 rolls are recommended).
- ▶ Air Exhaust Valve: A screw-down and waterproof valve to let the air out of the bag post packing. This improves the waterproofing, reduces the risk of condensation of moisture inside the bag and also reduces the volume of the bag, making it easier to carry or mount.
- ▶ 4 mounting straps (2 front, 2 rear) with quick release buckles
- ▶ Handles and Padded shoulder strap
- ▶ Buckles: Duraflex
- ▶ Universal fitting system with Molle loops for lashing cargo
- ▶ Reflective prints for increased visibility caution sign at low light.
