Aboutus

Thank you for your interest in MT. We are on of the fastest growing manufacturers of bathroom fittings and accessories for residential and commercial markets, MT adorns millions of homes across India and outside India. With operation in all over India we provides bathroom fittings and accessories under its MT brand.

Our Mission is to provide products of highest quality, creative design and exceptional value. We meet these goals by building attention to details, high performance teams in all aspects of our business and a constant focus on our business and a constant focus on our customers.
