**"One-stop solution for Premium Quality and Affordable
Architectural Hardware and Interior needs"**

Mr. P Mukesh
Managing Director

South India Agencies founded by Mr. P. Mukesh in 1993, has established itself as one of India's most trusted and influential solution providers in the Architectural and Builders' Hardware Industry. We are an ISO and MSME Certified Company.

With over three decades of expertise, we have built a strong distribution network and earned long-standing relationships with Architects, Interior Designers, Developers and Builders across the Country.

With a legacy built on Trust, Service Excellence and a Vision for the Future, South India Agencies continues to lead the way in delivering Reliable, High-Quality Hardware Solutions to India's rapidly growing Building and Design Ecosystem.

We are proud to say that we have taken up a giant leap forward by expanding our journey from Distribution to Creation.

SIAZE, our own line of Architectural Hardware—Designed, Engineered and Manufactured with a deep understanding of Indian Construction needs and Global Quality Benchmarks, is our own next-generation Hardware Brand crafted to raise the Bar for Quality and Innovation in Indian spaces. We strive to offer Supreme Quality Hardware Fittings at the Best Price available.

Door Hardware Fittings Care to last long

DO'S & DON'Ts

SIAZE[™]
RELIABLE & SECURE
DOOR LOCKS

Install the products as per fitting instructions provided.

Hardware installation to be carried out only after civil & painting work is completed.

Always use a clean and dry cloth to wipe any part of the hardware. May be done twice a month.

For materials such as stainless steel etc., always use a special cleaner (if available) or clean in water in a soft cloth or sponge (slightly damp, not wet) and re-wipe the area with a dry cloth once done.

Do not use any kind of cleaning agents such as Thinner, Turpentine Oil, Colin, Detergent Solutions etc. to clean hardware components. Do not apply Paints, Polish, Varnish.

Do not lubricate the products without first checking the applicability of the lubricant with the company.

Do not open a product to inspect its internal parts without consulting an authorized distributor or the company directly.

Do not let saw dust and concrete rubble/dust enter any components of the hardware.
